NEW PROPORTIONING PUMP SERIES TO HANDLE CAUSTIC CONCENTRATES

Cleveland, OH--Zebra Skimmers Corporation, a full-line manufacturer of oil skimmers and coolant maintenance equipment, recently introduced a new proportioning pump series to handle caustic concentrates.

"Our metalworking customers have to not only manufacture parts but also provide them debris free. Being able to provide our customers with an adequate unit to easily mix and pump their part washer cleaner is very important to us," remarks Meg Grant, Inside Sales & Service.

Features Include:

- Wide mixing range
- Compatibility with caustic concentrate
- Dilution with water at high temperature

Zebra Skimmers, the leader in coolant maintenance for over a decade, invents new technology to save its customers money on coolant and other fluids while reducing waste, sells and supports its equipment worldwide. Most products are guaranteed for at least a year, and some for life.
